ORDER DISMISSING PLAINTIFF'S COMPLAINT FOR FAILURE TO PROSECUTE

The Plaintiff filed its initial complaint in this case on August 13, 2008. The Defendant responded with a motion to dismiss on November 17, 2008 [Dkt. # 16]. The Plaintiff subsequently filed seven amended complaints [Dkt. # 20, 21, 30, 36, 54, 61, 63], which the Defendant has moved to dismiss [Dkt. # 37, 64]. The parties did not, however, make significant progress toward resolution of the case until early 2010, when Plaintiff was able to obtain necessary medical records. On September 17, 2010, the parties informed the Court that the case had been settled and indicated that they would submit a stipulation to dismiss the case within thirty days. Sixty days later, on November 10, 2010, the Court contacted the parties by e-mail to inquire about the status of the stipulation to dismiss. The e-mail indicated that if no further action was taken by December 10, 2010, the case would be dismissed for failure to prosecute. Neither party responded to the e-mail or took other action to resolve the case.

Accordingly, it is **ORDERED** that Plaintiff's complaint is **DISMISSED** for failure to prosecute. *See* E.D. Mich. L.R. 41.2. This order terminates all pending motions and closes the case.
